I just wanted to drop a line to say a big thank you to all who helped today, it did make a difference and helped make the event run smoothly.

Thanks to:

Mick and Marion (Didcot Phoenix) for all the help with timekeeping and with their equipment which calculated the results/standard times etc, all done with ease.

Andrew (MDCC), despite being ill he was there to help at the finish line.

Jon (MDCC), the texts came through thick and fast.

Simon (MDCC), for inputting all the figures and getting the results up for the riders.

Mike (MDCC) and Nick (Middlesex RC), pushing off in one of the coldest spots today.

Gilly (MDCC), who ensured that all the catering was served

and presented to a super standard- and did all the cleaning up after!

Brian and Malcolm (MDCC) – marshalling at the Thicket- thanks for the extra tips from Brian, I will pass them on to whoever is the next organiser!

John Bush (MDCC) for marshalling and ensuring the riders went up the slip road, thus avoiding the motorway (but there will always be one!)

John Francis (High Wycombe CC) – who was up extra early putting out the signs along the A4, marshalling and then collecting signs at the end.

Tim - (Marlow Riders) who in the last minute offered to help thus ensuring that I had the minimum of marshals for the day.

And of course thankyou to Jim Burgin for the Start sheet, advice and who will be sending out the Results for me.

I definitely could not have done it without you all.

With thanks  
Danuta
